

"Steady, As She Goes"

(Original lyrics by "[The Raconteurs](#)" modified by Bob Djurdjevic)

Find yourself a nice stock, and settle down
Live a simple life in a quiet town

Steady as she goes (steady as she goes)
Steady as she goes (steady as she goes)
So steady as she goes

Your broker has shown a kink in the single life
You've had too much to think, you want no
more strife

Steady as she goes (steady as she goes)
So steady as she goes (steady as she goes)

Well here we go again, you've found yourself a broker that knows you well
But no matter what you do, you always feel as though you tripped and fell

So steady as she goes

When you have completed what you thought you had to do
And your blood's depleted to the point of stable glue
Then it may be time to think of Big Blue

Settle for the stock and buckle down
Thumb your nose at the crowd gathered round
Then you'll get along,
Then you'll get along
You and the Wall Street throng,
You and the Wall Street throng.

So steady as she goes
Then watch Big Blue as she grows and grows.

ETC.
